NEW PRESIDENT OF ALUMNAE ASSOCIATION

Dear Alumnae:

I should like to take enough space in this issue to extend to you my appreciation for the confidence you displayed in electing me as president of the Association. I shall try to fulfill the duties of this office with dignity and integrity.

One of the greatest assets our Alma Mater can have is an active and loyal Alumnae Association that places Mary Washington College before the public in a favorable light. A strong Association can be achieved only through the combined interest and service of each alumnae of M. W. C. I enlist your support in achieving this goal.

Margaret Lambert, President

MESSAGE FROM RETIRING PRESIDENT

Dear Alumnae Members:

As I write this final message to you, I say, thank you for many things—your interest, your cooperation, and your willingness to do anything I have asked of you. It has been rewarding to serve as your president. It has not been easy. It has not been a quiet two years, but differences of opinions are healthy for an organization. It has given me a great deal of satisfaction to know how the Association has grown in interest, number, and activities. Keep up the good work. At such a crucial point in the life of the college, it behooves each of us to take an added interest and responsibility to support the Alumnae Association. There are new chapters to be formed, new graduates to be contacted, and much work to be done within the already active chapters. It has been a pleasure to work with each of you.

Sincerely,
Eloise Caverlee Hughes '40

New Officers for 1955-57 being installed by Miss Lucille Wheeler in center standing. Standing on left Miss Margaret Lambert, President, on right Mrs. Lelia Marsh Lewis, Vice President. Seated from left to right, Mrs. Eloise Caverlee Hughes, retiring President, Miss Gwendolyn Amory, retiring Vice President, and Mrs. Mabel Maffett Paska, retiring Secretary.

INSTALLATION OF NEW OFFICERS AT HOMECOMING

The largest number of Alumnae in many years returned to the campus for the Homecoming Week-end. The spotlight was taken by the Class of 1915, with twenty-five members present, all full of vim, vigor, and vitality. The new officers elected were Miss Margaret Lambert, President; Mrs. Lelia Marsh Lewis, Vice-Pres.; and Miss Eloise Strader, Secretary. They were installed by Miss Lucille Wheeler, member of the Board of Visitors, at the formal banquet. The division of business into a breakfast and luncheon meeting met with approval of the group, leaving ample time for reunions, tours of the campus, and other activities. Plan now to attend Homecoming, 1956—April 6, 7, 8.

Miss Mary Margaret Papstein presented the class gift of over two hundred dollars to Dean Alvey to be turned over to the Alumnae Association at the college to further its alumnae program. We are indeed grateful to the Class of 1955 for this contribution.

AREA CLUBS ON CAMPUS

Under the direction of the Executive Secretary, several Area Clubs have been organized on campus. The Eastern Shore Club, with Miss Betty Huckstep, President; The Alexandria Club, with Miss Margaret Uhler, President and the Connecticut Club have been organized this year. Others are in the process of organizing now. These clubs are purely social and their purpose is to acquaint students with the other students from their home town, or state. After graduation they enter Alumnae Chapters in their areas.

The Association also sponsors the Alumnae Daughters Club, which has been very active with 25 members. This next year there will be a Granddaughters Club, with one member.

CAMPUS CHATTER

The August issue of Mademoiselle will feature eight pages of campus photographs from MWC and the University of Virginia. Students of both schools posed in Fredericksburg and Charlottesville.

DEVIL-GOAT DAY

This was one of the biggest days of the year at MWC. In addition to the races, there was a band parade, under the direction of Mr. Faulkner. One of the highlights of the day was the Student-Faculty picnic, held on the hockey field. The Devil-Goat softball game, including both faculty and students, was followed by a Faculty Skit, one of the main events of the picnic.

MAY DAY, 1955

On May 7 Miss Martha Belle Lyle was crowned Queen of the May by Miss Maryann Etchison, Maid of Honor. On this perfect spring day these colorful rites were followed by a May Pole Dance, a Chinese play, an outdoor tea, and a formal ball on Saturday night.

REPORTS OF THE CHAPTERS

(We regret that due to lack of space, it has been necessary to edit these excellent reports.)

ALEXANDRIA

The Alexandria Chapter had a wonderful year. One of their big projects has been helping the Alexandria Club on campus. Miss Elizabeth Nalls comes to MWC once a month with homecooked goodies for the club members. Their programs have in-

cluded speakers and demonstrations
flowers and arrangements;
M. Payne spoke to them
Good Taste in Following
Trends," the art of Make-
up, and they are now planning a tea
honoring the MWC students during
the summer. The Chapter awarded
a \$25.00 award to the girl from the
Alexandria Club with the highest
average.

BALTIMORE, MARYLAND

This new Chapter has as its Presi-
dent, Mrs. Anne McCaskill Libis, '49.
Any alumna living in this area is
welcome.

FRANKLIN, VIRGINIA

We proudly introduce another new
chapter, the Colgate W. Darden
Jr., Chapter in Franklin. It is named
for the Honorable Colgate W. Dar-
den, Jr., President of the University
of Virginia and Chancellor of MWC,
a native of Franklin. Margaret But-
ler is the Director.

DANVILLE, VIRGINIA

Another new Chapter in Dan-
ville, thanks to Ann Bradley Guer-
rant, '47, of Brookhaven, Georgia,
who visited her home in Danville and,
with the help of Betsy Robertson, or-
ganized the alumnae there. They are
having a lot of fun and have great
things in store for them.

EASTERN SHORE

The Eastern Shore Chapter is now
five years old. The first meeting in
1950 had 22 present. We now have a
mailing list of 79. These have all at-
tended at least one meeting. We have
a lot to do yet, but so far have accom-
plished the following: have had three
meetings a year; have had four "off
the Shore" speakers; have establish-
ed a scholarship award to assist an
Eastern Shore girl to attend MWC;
and have organized an Area Club on
campus.

FREDERICKSBURG

This Chapter has done much in this
past year. The Association appreciat-
ed the donation of \$200.00 from a
Ballet and Tea at the college. They
entertained seniors from the sur-
rounding counties at MWC, with the
assistance of the Alumnae Daughters
Club. They are planning a family
picnic for all local alumnae and the
Alumnae Daughters. During Garden
Week, they met with Mrs. Lee W.
Keith Pappandreou, at "Yew Spring
Farms," in her lovely colonial home,
where they heard a talk and demon-
stration on flower arrangements.

KING GEORGE

Mrs. Marceline Weatherly Morris,
'50, is working very hard to organize
a chapter in King George, Va. Any-

one living in this area, please con-
tact her.

MARYLAND—SUBURBAN

This active chapter has had a wide
variety of programs during the past
year. They have entertained all MWC
students from this area at tea, parti-
cipated in College Night, which is
sponsored by the Associated Alum-
nae Clubs of Washington; and at pre-
sent, they are planning to be joint
hostesses with the Washington and
Fairfax Chapters to sponsor a large
card party for the benefit of the Na-
tional Association. Their only real
difficulty seems to be their inability
to contact members.

NEW JERSEY

The New Jersey Chapter has mu-
tually agreed to separate into three
groups to facilitate a more success-
ful program. The groups will be the
North, South, and Central. Current
plans are for these groups to gather at
luncheons during the year. The cen-
tral group is meeting monthly in
homes. We have focused our atten-
tion on community projects such as
hospital work, and cancer dressing.
Our major project this year is to help
a school for mentally retarded chil-
dren in this area.

WESTCHESTER, NEW YORK

Our activities for the past year in-
cluded a tea last August for incom-
ing freshmen, their mothers, recent
graduates and students. It was de-
cided to make it an annual function.
A student from MWC brought pic-
tures, pamphlets and other items to
show, which created much interest
in our school.

We have spent a great deal of time
on our constitution this year. Publi-
city has been strongly emphasized, in
order to contact other girls. We held
a very successful bridge party. Our
meetings have been held in homes,
which have been enjoyed by all.

NORFOLK

The programs for this year have
been planned on a local, national,
and international level, with a better
understanding of people as our aim.
We are continuing our scholarship,
which was established last year. We
are aiding the TB Hospital and as-
sisting in other community projects.
We hope to increase our finances this
year from a drive from prompt pay-
ment of dues, sale of candies at
Christmas and homemade Easter
eggs in the spring. Subscription par-
ties and cookie sales also add to our
funds.

Our social program included a
coke party, spaghetti dinner, buffet
supper at Christmas in the Fairfax
Hotel, and a card party. Our execu-
tive board includes two of the 1953
graduates.

NORTHERN VIRGINIA

We will now be officially recogniz-
ed as the Northern Virginia, rather
than the Fairfax Chapter. We hold
meetings once a month, alternating
with luncheon and a night meeting.
We gave a tea for girls entering
MWC, and had a good attend-
ance. We also entertained MWC stu-
dents during Christmas with a lunch-
eon. In January two of our members
met with the Maryland-Suburban,
Washington, and Alexandria Chap-
ters to discuss the formation of a
council with our chapter. We spon-
sored a card party on April 26, the
proceeds to go to National. We had
a travelogue by Carmen Weiler and
her husband at one meeting; met
with the Alexandria Chapter at a
luncheon in March. A family picnic
is planned for our closing meeting
in June.

PENINSULA

The Peninsula Chapter is proud of
their new officers and congratulates
the former officers for a job well
done. Mrs. Irene Lundy Brown, '39,
is the new President and Miss Gwen
Amory, '52, is the Director. They
have had many interesting speakers
and book reviews at their luncheon
meetings this year.

BIBLE WORDS TO LIVE BY

PSALM 37:5, "Commit thy way
unto the Lord; trust also in him;
and he shall bring it to pass."

My life philosophy is built on this
divine promise. When I am in doubt
as to a course of action I try first to
think things through for myself,
since we are never absolved from the
necessity of intellectual effort. But
if I am still in perplexity I place all
the related factors before God in
prayer. I pray about the problem as
earnestly as I can. This I do repeat-
edly. Then I go away from the situa-
tion and cease to think about it.

When I then return after a few
days to pray about the matter again,
I usually find that by a process of
incubation there has formed in my
mind a solution to the problem. It
is as though God had in the mean-
time taken all the parts of the pic-
ture puzzle and arranged them into
an orderly pattern.

If no immediate answer is in sight
I continue to wait and trust, in the
calm assurance that God is working
at it even while I sleep, just as sure-
ly as the wheat that the farmer has
planted in the spring-time continues
to grow even though he is away on a
journey. The results are surpris-
ing. "He brings it to pass."
